

AMP SUPERSEAL 1.5 Series, 2 Way Cable Mount Socket Connector

Brand: Competition Systems

Product Code: AMP282080-1

Availability: 7 Days

Weight: 0.01kg

Dimensions: 5.00cm x 2.00cm x 1.00cm

Price: \$1.65

Short Description

SUPERSEAL series 1.5 automotive connectors offered in plug housings for receptacle contacts, and cap housings for tab contact variants.

Description

SUPERSEAL series 1.5 automotive connectors offered in plug housings for receptacle contacts, and cap housings for tab contact variants. These connectors are made from black 6.6 glass filled polyamide, with a pre-assembled secondary lock. The automotive connector plug housings have silicon rubber seals, and the cap housings can also be panel mounted. Durable hard wearing automotive connectors, suitable for many solutions, including truck, bus, agriculture, and off-road vehicles.

This series of connector is often used in Ferrari and Ducati OEM wiring

Features and Benefits

Waterproof exceeding IP67

Proven sealing reliability

Designed for under-hood environments

Suitable for powertrain, security, and body & chassis systems

Wire seals constructed of silicon rubber

Dielectric withstand voltage 1500 Vrms

Temperature range -40 to +125°C
